CERTIFICATE OF STABILITY AND SAFETY OF THE SCHOOL

I, **Rajesh Kumar**, Structural Engineer, hereby certify that the **Orchids the international School run by the Sharada Educational Trust, Sector 113, Gurugram,** has been structurally designed based on detailed structural calculations.

The structural components of the building have been designed considering the soil bearing capacity and are found to be structurally safe.

This is to certify that the building has been analysed and designed in accordance with the latest edition of the National Building Code (NBC) of India and the relevant Indian Standards issued by the Bureau of Indian Standards (BIS) for ensuring structural stability and safety against earthquake forces.

The seismic zone considered in the design is Zone IV, as per IS 1893.

Based on the above, I hereby certify that the structure is safe for the purpose for which it has been designe
